

POOLE GRAMMAR SCHOOL

ADMISSIONS POLICY AND PROCEDURES FOR ENTRY 2022

The admissions policy of Poole Grammar School aims to reflect the underlying ethos of the school which is to provide a selective education for boys. Only boys who attain the required standards in the prescribed arrangements for selection by reference to academic ability will be eligible to be considered for admission to the school. These arrangements require that would-be pupils must meet the required standard in the tests used and administered by the local selective schools. There is one set of selection tests for Bournemouth School, Bournemouth School for Girls, Parkstone Grammar School, and Poole Grammar School (the “**Consortium**”). This will save children whose parents wish them to be considered for admission to more than one selective school in the Consortium from taking multiple tests for those schools.

1. Open Evening

Parents and prospective pupils are warmly invited to visit our Open Evening in the summer term of **2021**. It is also possible for parents and their sons to tour the school by appointment during any school day in term time. Parents are welcome to contact the School Office if they have any queries.

2. Admissions to Year 7 (11+)

Admission to all schools in BCP Council will be in accordance with the agreed scheme for coordinated admission arrangements managed by the BCP Council. Parents are able to state their school preference without it being taken into account by any of the schools they are applying to. In order to provide all parents with reliable information before submission of the Common Application Form, the selection or entrance test will take place for all schools in the Consortium on within the last two weeks of September annually and we will publish specific dates on our website (www.poolegrammar.com). Parents of boys wishing to be considered for admission to Poole Grammar School or Bournemouth School must register with **one** of the schools by 12:00 midday on **Friday 10 September 2021**. The eligibility for admission to one or both schools will be determined on the basis of the entrance test results. The tests may only be taken once by any boy. The tests will be taken at the school where the parent has registered their child for testing. All applicants to a Consortium School must complete the online registration process to attend the test day at one of the schools.

The online application process is hosted by Bournemouth School. Applicants who click on the link on the Poole Grammar School website will be taken directly to the Bournemouth School website in order to complete the process. Applicants will receive an email confirmation that their application has been made successfully. Parents who are unsure whether their application has been processed may wish to contact the Admissions Secretary at Poole Grammar School. Parents who are unable to make an online application should contact the Admissions Secretary. Pupils who are unable to take the tests on 25 September 2021, due to illness or other significant acceptable reasons, will be offered the opportunity to take the tests at the catch up test date of **1 October 2021**. The reason must be discussed with the school at the earliest opportunity.

Candidates will take tests in Verbal Reasoning, Mathematics and English with an aggregate of the three tests taken determining whether the pupil is of the required standard. The scores for the entrance tests are adjusted (or “standardised”) according to age.

The results of the tests will be sent to parents by post on Friday 15 October 2021. On the basis of their results, boys will be placed in two groups, Group A (Meets the required standard), or Group B (Does not meet the required standard). **Meeting the required standard does not guarantee the award of a place.** Places are awarded subject to the application of the oversubscription criteria once all applications received on time have been processed. Test scores and the test pass mark

will be issued to parents of all boys tested. Parents of applicants who are not offered a place will be informed of their right of appeal.

If parents choose to name the school on the Common Application Form without their son having taken the test, there will be no score that can be considered within the oversubscription criteria.

For children whose registration or common application form (or both) were submitted after the closing dates, there will be an opportunity to sit the school entrance tests for consideration after the first round of allocations on 1 March 2022 as a late entrant.

Testing can only take place once for any 11+ pupil in the application round for entry in 2022.

3. Late applications for Year 7

A late application is one that is received after the published closing date (31 October 2021). Late applications will not be dealt with until after all applications submitted by the closing date have been considered. Parents who move into the area or whose sons have for other reasons missed the initial test dates should make their application via BCP Council as soon as possible. Parents who move into the area but do not live within the BCP Council area, should contact their "home" Local Authority e.g. Dorset Council. Please note that such tests and any subsequent offers of places will only take place subject to spaces still being available after the initial series. It is thus important that parents observe the October 31 2021 closing date noted above.

4. Years 8 -11

Application for casual admission to these year groups can be made at any time. Assessment of pupils for entry into Years 8, 9, 10 and 11 is carried out on request. If there is a vacancy in the year group and the pupil has reached the required standard in the school's entrance tests a place will be offered in accordance with this admissions policy. Alternatively if the year group is full, you may still request that the school tests your son. However, the school will be unable to offer a place as the school cannot offer places above its published admissions number, but you will have the right of appeal. The admission authority will notify an applicant's parent/carer of either the date for the assessment of ability (admission test), or, the reason for refusal with information about a right of appeal, in writing within 15 school days of an in-year application

5. Applications for admissions to Years 7, 8, 9, 10 and 11 for pupils outside their national curriculum year group

A pupil cannot usually be tested or accepted into a year group out of his normal year group unless:

- he is already being taught in that year group in another school;
- he has an unqualified letter of support from his existing Headteacher;
- he achieves the academic standard in the admissions tests; and
- there is a place available in the year group

Application for casual places in Years 7 -11 should be made to:

The School Admissions Team
Quality and Commissioning
BCP Council
Dolphin Centre
Poole
BH15 1SA

6. Over subscription criteria

In the event of the school being oversubscribed priority will be given in the following order.

- a. Eligible⁽¹⁾ boys who are classed as "Looked After" or have previously been 'Looked After'⁽²⁾ whether in England or another country.
- b. Eligible boys who live within the historic Borough of Poole **or** Poole postcodes BH12, BH13, BH14, BH15, BH16, BH17, BH18 and BH21 3-- and who currently (31 October 2021) receive Pupil Premium ⁽³⁾
- c. Eligible boys who currently (31 October 2021) live within the historic Borough of Poole **or** Poole postcodes BH12, BH13, BH14, BH15, BH16, BH17, BH18, and BH21 3-- and who do not receive Pupil Premium
- d. Eligible boys who are the sons of current members of staff where the member of staff has been employed at the school for two or more years at the time when the application for admission to the school is made
- e. Eligible boys who live outside the historic Borough of Poole **or** Poole postcodes BH12, BH13, BH14, BH15, BH16, BH17, BH18 and BH21 3--, who currently (31 October 2021) receive Pupil Premium in rank order of the entrance test scores
- f. Eligible boys who live outside the historic Borough of Poole **or** Poole postcodes BH12, BH13, BH14, BH15, BH16, BH17, BH18 and BH21 3-- who do not receive Pupil Premium, in rank order of the entrance test scores

Boys with an Education, Health and Care Plan issued by a local authority naming Poole Grammar School as the school where they should receive their education **and** who have achieved the academic standard required in the admissions tests will be admitted to the school before preferences are considered for admission in September 2021.

- In the event of over subscription in any of the criteria (a) to (f), priority will be given up to the Published Admission Number to those boys obtaining the highest scores. In the event of a tie for the 180th place, the place will be offered to the boy whose home address is nearest to Poole Grammar School. The distance will be measured using a Geographical Information System. Please see Note (a) of this policy. If applicants live in a block of flats the allocation of places will be made by drawing lots. Applicants in this position will have their names drawn as lots to see who should be offered a place.

(1) "Eligible" means achieving the academic standard required in the school's admission tests.

(2) A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order, including those who appear to the admission authority to have been in state care outside of England, and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). Applicants can be asked to provide additional evidence in order to verify the previously looked after status of a child. It is at the discretion of the authority what evidence is required. The final decision will be made by the authority. If any information supplied by an applicant is judged by the local authority to be fraudulent or intentionally misleading, the authority may refuse to offer a place, or if already offered, may withdraw the offer.

(3) Pupil Premium children are those who have been eligible for free school meals at any point in the last six years (known as 'Ever 6 FSM'), and children of service personnel in the last six years (known as 'Ever 6').

7. Independent Appeals

In the event that an offer of a place is not made, parents have the right of appeal to an Independent Appeals Panel and information will be given at that time on how parents can exercise this statutory right. Please note that you cannot make an appeal against any testing decision posted to you before

31 October 2021, but you are still allowed by law to appeal for admission to any school you name on your application form and are not offered a place at. This means that if your son has not met the required standard for entry to Poole Grammar School you can still name the school on your application form which is submitted by 31 October 2021. Although your son cannot be offered a place here on March 1 2022 as your son has not met the required standard, you can then ask an independent panel to consider whether there could be exceptional reasons for admitting your son.

8. Sixth Form Admission

Applicants from Poole Grammar School

In deciding whether a Sixth Form place should be offered to a Year 11 student at the School the key factor will be whether the student meets the entry requirements detailed below. By the Easter prior to the September of Sixth Form entry eligible applicants from Poole Grammar School will be offered a Sixth Form place, conditional upon them achieving the required GCSE grades.

External candidates

Prospective Sixth form pupils are encouraged to visit the school in the Autumn Term. Application details, including a prospectus, can be found on the school website. The closing date for applications is 1 September 2022. Prospective Sixth Formers will be invited to attend a Subjects Evening in the Autumn Term 2021, and may undertake a visit at a time convenient to them. Students should complete the appropriate application form and return it to Poole Grammar School. Further information will be sought from the student's current school. 30 students can be accepted into the Sixth form from other schools in addition to those Poole Grammar School Year 11 pupils who achieve the Sixth Form course requirement detailed below.

The School offers Advanced Level courses only. Places on A level courses can, subject to available places, normally be offered to applicants who meet the minimum course requirements. Our Sixth Form entry requirement is based on the candidate's best 7 full course GCSEs (including English Language and Mathematics at Grade 5) with an average grade of 5.5 across the 7 subjects. In addition, students will need to achieve a particular grade in the subject at GCSE (if taken) or allied subject(s) (if not taken at GCSE). The specific requirements for individual A level subjects can be found in the 'Joining the Sixth Form' Booklet on the school website.

Children with an Education, Health and Care Plan and Looked After and previously Looked After Children who satisfy the entry criteria above will be admitted first in line with the admissions code. Should there be more candidates of the required level than places, selection will be based on rank ordering the GCSE points scores, as detailed above, of those pupils entering Year 12 from outside the school.

9. Published Admission Number

The published admission number for September 2022 is 180 for Year 7. The number of applications received by October 31 2019 closing date for 2020 entry for Year 7 was 308.

10. Applications for children of multiple births

If applications from children of a multiple birth span the threshold for the published admission number, this will be treated as an exceptional circumstance and they will all be admitted if they are all of the required standard.

11. Home Address

The home address where a child lives is considered to be a residential property that is the child's main or only address during term time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the school what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will

be made by the school. If any information supplied by an applicant is judged by the school to be fraudulent or intentionally misleading the school may refuse to offer a place, or if already offered, may withdraw the offer.

12. Applications from separated parents

Only one application can be considered for each child. Where parents/carers are separated it is essential that agreement is reached by both parties concerning the nominated preferred schools. Where a child spends part of their week with one parent and part with the other, only one address can be used. This must be the address at which the child spends most of their time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the school what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will be made by the school. If any information supplied by an applicant is judged by the school to be fraudulent or intentionally misleading the school may refuse to offer a place, or if already offered, may withdraw the offer.

13. In Year Fair Access Protocol

All the admission authorities in Poole have established an In Year Fair Access Protocol. The purpose of the In Year Fair Access Protocol is to ensure that – outside the normal admissions round – unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. Cases are considered by a Panel comprising Headteachers and/or their representatives. When seeking to place a child, the Panel will consider all schools in a fair, equitable and consistent manner. Decisions of the Panel may mean that individual schools admit children above the Published Admission Number.

14. Waiting lists.

Parents must request that their child's name is entered onto a waiting list for a school. The waiting list will be held until 31 August of the year of entry at which point it lapses. The waiting list for students due to join Year 7 in September 2022 will remain open until 31 August 2023. When places become available they are allocated from the waiting list in priority order which is determined by the over-subscription criteria within this policy. The amount of time an applicant has spent on a waiting list is not taken into consideration when allocating places.

Notes

(a) Poole Grammar School obtains home-to-school distance measurements for the purposes of this policy from BCP Council. The measurement will be the shortest, safe and practicable walking route from the home address to the nearest approved school access point that is for use by pupils. The GIS maps used are provided by Ordnance Survey and represent the position as at the beginning of the annual admission cycle i.e. September in the year prior to admission. Any alterations to Ordnance Survey map references, footpaths or roads added after this time will not be taken into consideration. No measurements obtained through other sources (e.g. search engines, mapping systems) will be accepted.

For applicants living on islands or residing permanently on a boat within Poole harbour, the distance measurement will be a straight line from the centre point of the home address to either: 1. the nearest public landing steps at Poole Quay, or 2. a point on the mainland that the applicant proves to the satisfaction of the School that he/she can access. From that point the distance will be measured using the shortest, safe and practicable walking route from the landing point to the nearest approved school access point that is for use by pupils.

If an applicant advises that the child would or could use the Sandbanks/Studland Chain Ferry in the journey to school, then the distance will be measured on that basis from the home address and will include the distance travelled by the ferry.

If there are insufficient places to accommodate all applicants and the distance criterion is used, Poole Grammar School will use random allocation for applicants living an equal distance from the School (up to three decimal points) or at the same address or in the same block of flats who are eligible for the remaining places. Applicants will have their names drawn as lots to see who should be offered the place(s).

14. Application forms for 2022:

- All Poole residents regardless of where they attend school should return the application form directly to the Local Authority or apply online.
- Pupils who live outside BCP Council, irrespective of the school they currently attend, should return their completed form by the published closing date to the local authority within whose boundaries they live e.g. Bournemouth or Dorset.
