Dear Parent/Carer,

We would like to take this opportunity to welcome you to Poole Grammar School and to provide you with some more detailed information.

Unfortunately, due to Covid-19, we are unable to hold our New Year 7 Parent Information Evening, or our Transition Day for Year 7 students, so we have created a dedicated area on our website to provide you with all the information you would normally get from both these events.

This is a password-protected area and can be accessed on our website, www.poolegrammar.com and clicking on the "New Year 7 2020/21 Information Area" button on the homepage. The password is **08092020** (your son's first official day at our school!).

Our wonderful new Prefect team have worked together to provide you with a virtual tour of the school. This also includes a welcome message from our new Headteacher, Dr Amanda Smith. There is also a narrated presentation from our current Headteacher, Mr Andy Baker.

We have also made our Parent Welcome Pack electronic. Please take the time to read through the pack carefully. For convenience, you can submit the new student forms electronically. We also have an email address which is dedicated to new Year 7 parents/carers and can be used for any queries that you may have: NewYear7enquiries@poolegrammar.com. We will do our best to respond to your query promptly.

We will continue to send you messages and updates between now and when you hopefully join us in September. For now, enjoy the last part of primary school and we look forward to meeting you soon.

Yours faithfully,

Mrs Katie Etheridge
Deputy Headteacher - Inclusion and Well-being
