

Poole Grammar School	Policy	
Provider Access Policy		Issue 2
		January 2020

## 1. Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## 2. Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

## 3. Management of provider access requests

### a) Procedure

A provider wishing to request access should contact **Mark Hannington, Careers and HE Advisor** on telephone: **01202 692132 x269** or **01202 606504**, email: **careers@poolegrammar.com**.

### b) Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers:

#### 4. Premises and facilities

The school will make a suitable venue available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment as reasonably required to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers and HE advisor or a member of the pastoral or support staff teams.

Providers are welcome to leave a copy of their prospectus or other relevant course literature in the careers library and/or the school library, which is accessible to students before school, at break time, at lunchtime and after school.
